

Part Number: 173A0103-2

Part Description: Rudder Asseembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Rudders                      |
| Part Number                  | 173A0103-2                   |
| Root Part Number             | 173A0103-XXX                 |
| ATA Chapter 2 Digit          | 55                           |
| ATA Chapter 4 Digit          | 55-40                        |
| ATA Chapter 6 Digit          | 55-40-09                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B737NG                       |

## Repair

|                      |                  |
|----------------------|------------------|
| Part Number          | 173A0103-2       |
| Description          | Rudder Asseembly |
| Repair Manual- CMM   | CMM              |
| Bench Check & Advise | Yes              |
| Repair               | Yes              |
| Overhaul             | Yes              |
| Repair Facility      | Miami Lakes      |

## Logistics

|             |                  |
|-------------|------------------|
| Part Number | 173A0103-2       |
| Description | Rudder Asseembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
