

Part Number: 21W4160-507

Part Description: Fire Detector to Firewall  
(LH Thrust Reverser) Wire Harness

## Specifications

|                              |                |
|------------------------------|----------------|
| Product Families:            | Harnesses      |
| Product Group:               | Engine Systems |
| Part Number                  | 21W4160-507    |
| Root Part Number             | 21W4160-XXX    |
| ATA Chapter 2 Digit          | 71             |
| ATA Chapter 4 Digit          | 71-51          |
| ATA Chapter 6 Digit          | 71-51-01       |
| MFR / Manufacture -CAGE Code | Pratt&Whitney  |
| Application                  | PW4000         |

## Repair

|                      |                                                             |
|----------------------|-------------------------------------------------------------|
| Part Number          | 21W4160-507                                                 |
| Description          | Fire Detector to Firewall (LH Thrust Reverser) Wire Harness |
| Repair Manual- CMM   | CMM                                                         |
| Bench Check & Advise | Yes                                                         |
| Repair               | Yes                                                         |
| Repair Facility      | Hialeah                                                     |

## Logistics

|             |                                                             |
|-------------|-------------------------------------------------------------|
| Part Number | 21W4160-507                                                 |
| Description | Fire Detector to Firewall (LH Thrust Reverser) Wire Harness |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
