

Part Number: 224W9739-507

Part Description: Thrust Reverser RVDT  
Channel B wire Harness Assembly

## Specifications

|                              |                |
|------------------------------|----------------|
| Product Families:            | Harnesses      |
| Product Group:               | Engine Systems |
| Part Number                  | 224W9739-507   |
| Root Part Number             | 224W97XX-XXX   |
| ATA Chapter 2 Digit          | 71             |
| ATA Chapter 4 Digit          | 71-50          |
| ATA Chapter 6 Digit          | 71-50-07       |
| MFR / Manufacture -CAGE Code | Rohr           |
| Application                  | CF6 - 50 & 80  |

## Repair

|                      |                                                      |
|----------------------|------------------------------------------------------|
| Part Number          | 224W9739-507                                         |
| Description          | Thrust Reverser RVDT Channel B wire Harness Assembly |
| Repair Manual- CMM   | CMM                                                  |
| Bench Check & Advise | Yes                                                  |
| Repair               | Yes                                                  |
| Repair Facility      | Hialeah                                              |

## Logistics

|             |                                                      |
|-------------|------------------------------------------------------|
| Part Number | 224W9739-507                                         |
| Description | Thrust Reverser RVDT Channel B wire Harness Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
