

Part Number: 341-1010-511

Part Description: Inlet Cowl Assembly

## Specifications

|                              |              |
|------------------------------|--------------|
| Product Families:            | Nacelles     |
| Product Group:               | Inlet Cows   |
| Part Number                  | 341-1010-511 |
| Root Part Number             | 341-1010-511 |
| ATA Chapter 2 Digit          | 71           |
| ATA Chapter 4 Digit          | 71-10        |
| ATA Chapter 6 Digit          | 71-10-10     |
| MFR / Manufacture -CAGE Code | Goodrich     |
| Application                  | CF34         |

## Repair

|                      |                     |
|----------------------|---------------------|
| Part Number          | 341-1010-511        |
| Description          | Inlet Cowl Assembly |
| Repair Manual- CMM   | CMM                 |
| Bench Check & Advise | Yes                 |
| Repair               | Yes                 |
| Overhaul             | Yes                 |
| Repair Facility      | Miami Lakes         |

## Logistics

|             |                     |
|-------------|---------------------|
| Part Number | 341-1010-511        |
| Description | Inlet Cowl Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
