

Part Number: 421340-1

Part Description: EEC Wiring Harnesses

## Specifications

|                              |                |
|------------------------------|----------------|
| Product Families:            | Harnesses      |
| Product Group:               | Engine Systems |
| Part Number                  | 421340-1       |
| Root Part Number             | 421340-1       |
| ATA Chapter 2 Digit          | 73             |
| ATA Chapter 4 Digit          | 73-21          |
| ATA Chapter 6 Digit          | 73-21-18       |
| MFR / Manufacture -CAGE Code | Unison         |
| Application                  | PW4000         |

## Repair

|                      |                      |
|----------------------|----------------------|
| Part Number          | 421340-1             |
| Description          | EEC Wiring Harnesses |
| Repair Manual- CMM   | CMM                  |
| Bench Check & Advise | Yes                  |
| Repair               | Yes                  |
| Repair Facility      | Hialeah              |

## Logistics

|             |                      |
|-------------|----------------------|
| Part Number | 421340-1             |
| Description | EEC Wiring Harnesses |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
