

Part Number: 85720220?003

Part Description: Leading Edge

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Flaps                        |
| Part Number                  | 85720220?003                 |
| Root Part Number             | 85720220?003                 |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-40                        |
| ATA Chapter 6 Digit          | 57-40-00                     |
| MFR / Manufacture -CAGE Code | Bombardier                   |
| Application                  | Q400                         |

## Repair

|                      |              |
|----------------------|--------------|
| Part Number          | 85720220?003 |
| Description          | Leading Edge |
| Repair Manual- CMM   | CMM          |
| Bench Check & Advise | Yes          |
| Repair               | Yes          |
| Repair Facility      | Miami Lakes  |

## Logistics

|             |              |
|-------------|--------------|
| Part Number | 85720220?003 |
| Description | Leading Edge |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.

**630 Aerospace where quality is built in not inspected.**
