

Part Number: D3617052011800

Part Description: APU Bleed Duct

## Specifications

|                              |                |
|------------------------------|----------------|
| Product Families:            | Structures     |
| Product Group:               | Ducts          |
| Part Number                  | D3617052011800 |
| Root Part Number             | D3617052XXXXXX |
| ATA Chapter 2 Digit          | 51             |
| ATA Chapter 4 Digit          | 51-12          |
| ATA Chapter 6 Digit          | 51-12-00       |
| MFR / Manufacture -CAGE Code | Airbus         |
| Application                  | A320           |

## Repair

|                      |                |
|----------------------|----------------|
| Part Number          | D3617052011800 |
| Description          | APU Bleed Duct |
| Repair Manual- CMM   | SRM            |
| Bench Check & Advise | Yes            |
| Repair               | Yes            |
| Repair Facility      | Miami Lakes    |

## Logistics

|             |                |
|-------------|----------------|
| Part Number | D3617052011800 |
| Description | APU Bleed Duct |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
