

Part Number: D5518313001451

Part Description: Trimmable Horizontal Stabilizer Tips

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Horizontal Stabilizers       |
| Part Number                  | D5518313001451               |
| Root Part Number             | D551831300XXXX               |
| ATA Chapter 2 Digit          | 55                           |
| ATA Chapter 4 Digit          | 55-14                        |
| ATA Chapter 6 Digit          | 55-14-11                     |
| MFR / Manufacture -CAGE Code | Airbus                       |
| Application                  | A320                         |

## Repair

|                      |                                     |
|----------------------|-------------------------------------|
| Part Number          | D5518313001451                      |
| Description          | Trimable Horizontal Stabilizer Tips |
| Repair Manual- CMM   | SRM                                 |
| Bench Check & Advise | Yes                                 |
| Repair               | Yes                                 |
| Repair Facility      | Miami Lakes                         |

## Logistics

|             |                                     |
|-------------|-------------------------------------|
| Part Number | D5518313001451                      |
| Description | Trimable Horizontal Stabilizer Tips |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
