

Part Number: D5755105401451A

Part Description: Fairing Flaps, Inboard

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Flaps                        |
| Part Number                  | D5755105401451A              |
| Root Part Number             | D57551054XXXXXX              |
| ATA Chapter 2 Digit          | 55                           |
| ATA Chapter 4 Digit          | 57-55                        |
| ATA Chapter 6 Digit          | 57-55-13                     |
| MFR / Manufacture -CAGE Code | Airbus                       |
| Application                  | A320                         |

## Repair

|                      |                        |
|----------------------|------------------------|
| Part Number          | D5755105401451A        |
| Description          | Fairing Flaps, Inboard |
| Repair Manual- CMM   | CMM                    |
| Bench Check & Advise | Yes                    |
| Repair               | Yes                    |
| Overhaul             | Yes                    |
| Repair Facility      | Miami Lakes            |

## Logistics

|             |                        |
|-------------|------------------------|
| Part Number | D5755105401451A        |
| Description | Fairing Flaps, Inboard |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
